

Child Care Solutions

Child Care Solutions offers an exceptional line of products and services tailored to child care providers.

The following are eligible operations for the Social Service Child Care Program:

- Child Care Centers
- Montessori Schools serving children under 7 years of age
- Nursery Schools

The following incidental operations may be written if they represent less than 25% of the total Child Care Operations:

- After School Programs
- Day Camps (in conjunction with a child care center)
- Tutoring (in conjunction with a child care center)
